

BERKELEY ASTRONOMY DEPARTMENT
GRADUATE STUDENT ANNUAL PROGRESS REPORT (Fall 2009)

Instructions: Please fill out information below, and attach your Annual Progress Report to this sheet. Meet and review your report with your Research Advisor, who will give feedback and sign below. Drop off the completed report with the Head Graduate Advisor, who will read all reports, distribute copies to all faculty, and recommend action as necessary.
Deadline: September 25, 2009.

Your attached report can discuss any of the following, in no particular order: (1) Research activities and accomplishments of previous year; (2) Classes taken; (3) Research/class/teaching directions for coming year; (4) Outreach activities; (5) Problems in your graduate career; (6) Plans for prelim/qual/job search; (7) Suggestions for how to improve the academic environment. Bibliographies of published or submitted papers are welcome. We hope this opportunity to reflect retrospectively, and chart your future, will be useful to you.

Name / Year:

Research Advisor:
